

It is that time of year again when subscriptions for the 2021/2022 season are due. It has been a difficult time since March 2020, with circumstances that prevented us all from enjoying the club to its full extent, or at all, but let's hope that the worst is behind us and that we can all look forward to a full and enjoyable years bowling.

The committee has decided to keep the fees for the coming season at last year's level and they are as follows:

Full playing member	£100	Student playing member	£10
Junior playing member	£10	Non-playing member	£12
Annual locker rent	£7

Please make sure you have paid your subscription by 1st October.

All of us on the committee hope you decide to re-join for the 2021-2022 year, but if you decide not to then please let us know, and return your entry key fob and locker key, if you have one, by 30th September.

If there have been any changes to your details, circumstances or a change to your medical condition in the last year that could impact on your bowling then please let us know by reply to this reminder. Also, could you let us have you next of kin details so that we have a record of who to contact in case of an emergency.

One of the requirements of attaining the Bowls England Disability Mark is that we retain information on all members health and ethnicity which also assists us in applying for grants etc. Therefore, kindly complete and return the short questionnaire attached to this reminder.

We do hope that you decide to continue with your membership of Five Rivers and look forward to seeing you at the club during the new season.
